Sub: Disclosure of material impact of Covid-19 pandemic on the Company-Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

SYMBOL: SITAL

Dear Sir,

This is with respect to the above mentioned subject and SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/84 dated 20th May, 2020.

### Operational Impact:

Consequent to the outbreak of the COVID-19 pandemic and the lockdown/curfew introduced by the Central and State Government, the operation in the Company's office had to be shut down from 23<sup>rd</sup> March 2020.

From the first week of May 2020, the Company has resumed operation in a gradual manner and the office is in operation, at present. To facilitate ease of resumption:

- The office were sanitized at regular intervals during the lockdown period;
- All the equipment was properly shut down and proper check list put in place for the precautions to be taken before restart of equipment;
- All safety aspects are taken care with respect to screening of the employees before entering the office:
- Training programs were arranged and responsibilities have been defined for any Crisis Management Team;
- Adequate stocks of Sanitizer and face masks are made available to all employees;
- Clear Standard Operating Procedures are in place on how to work with social distancing, staggered lunch timings, fixing hand sanitizer dispensers in all areas.

The Company has resumed operations in a Phased manner in May 2020.

Based on our preliminary estimate, we expect that Q1 of FY 2020-21 will be badly affected and we expect gradual improvement from Q2 onwards.

However, the extent to which the COVID-19 pandemic will impact the business performance of the Company will depend on future developments which are highly uncertain and unpredictable.

# **Financial impact:**

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of property, plant and equipment, investments, inventories, receivables and other current assets. Currently, no major impact on the assets of the Company is envisaged and the Company will comfortably be able to service its business commitments and other statutory financial obligations.

The Company has, taken several cost-cutting measures to sustain the operations and to optimize the allocation and use of its financial resources with an objective to reduce the impact of lockdown on profitability.

Given the uncertainly around the severity and duration of the COVID-19 impact, the Management of the Company is not able to accurately assess the impact of this on future financial performance at this point of time. Moreover, the detailed impact assessment of COVID-19 on the business of the Company is a continuing process given the uncertainties associated with its nature and duration. The Company will continue to closely monitor the developments and the material impact, if any, will be disclosed from time to time to the Stock Exchanges.

You are requested to take the above on your records and acknowledge the same.
